

Data privacy information Telekom Deutschland GmbH („Telekom“) for for SMS message pursuant to the Regulation for entries to Germany in connection with coronavirus SARS-CoV-2/COVID-19 („Coronavirus-Einreiseverordnung“)

- Information for Telekom-customers and non-Telekom-customers -

For each data processing the „[General Data Privacy Information](#)“ applies - for non-Telekom-customers the „[General Data Privacy Information for non-customers](#)“ and for Telekom-customers additionally the [Datenschutzhinweis für den Abschluss eines Festnetz- oder Mobilfunkvertrags](#).

For SMS dispatch pursuant to „Coronavirus-Einreiseverordnung“ the following additional information apply.

We use the following data:

- Mobile phone number and subscriber identifier
- for Telekom customers:
Log-in and Log-out to foreign mobile telephone network
- for non-Telekom-customers:
Log-in to the mobile telephone network of Telekom

We use the data for the following purpose:

We send you a SMS message of the German government, which provides you with information about German regulations for entries to Germany and infection protection in connection with coronavirus SARS-CoV-2/COVID-19, and the preventive measures, which have to be observed in order to prevent spreading coronavirus.

We delete log-in and log-out data after 7 days

The storing time was coordinated with the German data protection authority (Bundesbeauftragter für den Datenschutz und die Informationsfreiheit, BfDI). 7 days are necessary in order to prevent for example commuters from daily disturbing messages.

What ist he legal basis for the SMS message?

The „Coronavirus-Einreiseverordnung“ of German government dated 13th January 2021 („Verordnung zum Schutz vor einreisebedingten Infektionsgefahren in Bezug auf das Coronavirus SARS-CoV-2 nach Feststellung einer epidemischen Lage von nationaler Tragweite durch den Deutschen Bundestag (Coronavirus-Einreiseverordnung – CoronaEinreiseV)“), stipulates that operators of public mobile phone networks should send the SMS message. The following legal basis applies to Telekom:
Art. 6 sec. 1c GDPR, clause 96 sec. 1 sentence 2 German Telecommunication Act, in conjunction with clause 8 “Coronavirus-Einreiseverordnung”.

Where is my data processed?

Your data is processed in Germany and abroad within the European Union.

We do not transmit your data to third parties

In particular we do not transmit your data to health authorities or other parties involved in combating the coronavirus. We use your data only for the purpose of SMS dispatch.

Status of the Privacy Policy: 23. February 2021
